The Power to Surprise

The new Kia  
**VENGA**

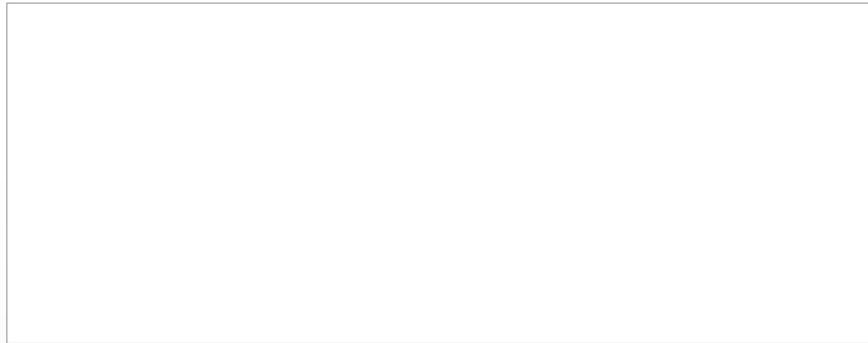

The Power to Surprise

## Life is what you make of it. Welcome to the world of Kia.

Life is spectacular. It is vivid, unpredictable and exciting in all its facets. Whatever will happen, wherever you will go and whatever you will discover, Kia is with you.

We at Kia have dedicated our lives to making a contribution towards building a better future. That is why we develop and build cars which help you to discover and enjoy new horizons. Cars with stunning designs, advanced technologies and smart solutions. Cars with our remarkable 7-year warranty as proof of our outstanding quality. Whatever we do, we are driven by one mission: to always exceed your expectations. We call it 'The Power to Surprise'.

Now, we invite you to take a closer look and allow us to surprise you.

## Meet your match.

There's nothing better than knowing you have someone to depend on. Someone you can count on to be by your side - wherever you go and whatever you do. A spontaneous trip, a bold adventure or quality time with the family. No matter what you've got planned, the new Kia Venga is your perfect partner. With versatility at its core, the Venga offers an ingenious blend of striking design, impressive comfort, ample safety features and unrivalled peace of mind. Which means the only thing you need to worry about is where to go next.

design

## Functional meets fantastic.

Who says you can't be stylish and practical at the same time? European design, a muscular stance, taut lines and bold angles give the new Kia Venga its distinctive style. Careful attention to detail and subtle enhancements complete the package, and make sure that functionality never gets in the way of striking good looks.

## Refined. Restyled. Refreshed.

Our designers have mastered the balance between form and function with the new Kia Venga. A confident stance, a striking new front and a wedge-shaped rear design make a bold statement. To keep things on the bright side, there are eye-catching headlamps and fog lamps. Rear lamps with LED lights and LED daytime running lights add to the distinct design. Finally, to complete the refined new look, there's the Kia signature grille and the unmissable alloy wheels.

interior

## Make yourself at home.

Sophisticated European design, meticulous attention to every detail and enhanced comfort features make the Kia Venga's interior distinctly stylish. A host of new high-quality materials and finishes keeps things elegant, while a selection of colour combinations, fabric designs and assorted trims allows you the freedom to choose your look. The beautifully crafted new centre fascia and fully adjustable steering wheel and seats ensure you're both stylish and comfortable at all times. Manual or optional automatic air conditioning makes every drive just perfect, and the panoramic sunroof allows you to open up to new perspectives.

— *cabin ergonomics* —

## Settle in and enjoy the ride.

Keeping you as comfortable as possible is a priority with the new Kia Venga. To make every drive all the more enjoyable for you, the front seats boast lumbar support for extra comfort, while the rear seat passengers enjoy outstanding head- and legroom, with adjustable seats that allow them to recline further.

1. Rear seats with ample head- and legroom // 2. Rear seats with armrests to maximize comfort // 3. Adjustable rear seats allow you to stay flexible and comfortable at all times

— versatility —

## Room for everyone – and everything.

Family life can be full of surprises. And that's exactly why the new Kia Venga is designed to be perfectly versatile. While the outside dimensions are nicely compact, inside there's enough room for every adventure and every opportunity to share in some fun. Whatever you've got planned, the super-spacious Kia Venga is always ready to go.

- A generous 440-litre luggage compartment can be extended when you need more space.
- If you need more room for adventure but want to keep maximum space for your passengers, lower the flexible two-tier boot space floor to increase the boot volume to 552 litres.
- To create a flat surface, and a whopping maximum boot volume of 1,486 litres, simply lower the floor and fold the 60:40 split rear seats.
- Extremely versatile sliding and folding rear seats allow you to customize your cabin space however you choose.

— versatility —

## Flexible. Adaptable. Incredible.

Imagine a car that adapts perfectly to your needs. Whether you're dashing to a meeting in the city or heading out for an action-packed day with the kids, the Kia Venga is effortlessly flexible. A high roofline and ergonomic long wheelbase give you a sense of spaciousness, while the panoramic glass sunroof broadens your horizons even further. The roomy interior offers outstanding head- and legroom for everyone in the car, and makes getting in and out incredibly easy. The two-tier boot space floor is able to create a flat boot floor at tailgate level, making it nice and easy to load up the boot.

— driver ergonomics —

## Easy to reach. Easy to love.

With intuitive user-friendly design, innovative technologies and smart driver controls, the Kia Venga puts your comfort and convenience at the heart of every ride. Cruise control, audio remote control and Bluetooth are right at your fingertips on the steering wheel. The centre console features a standard audio system and a navigation system with a large 7" touch screen as an option. Finally, with the rear-view camera, you'll find parking is no sweat at all.

1. The smart key gives you easy, keyless access to every ride, and the start/stop button lets you turn the engine on and off with a single press.

2. The rear-view camera takes the stress out of reversing and parking.

3. Enjoy convenient access to the cruise control, audio remote control and Bluetooth. On chilly winter days, the steering wheel can be heated.

4. You can count on the supervision cluster and the user-friendly trip computer in the centre fascia to keep you in the loop with information like average and current fuel consumption, trip, range and outside temperature.

connectivity

## Stay in touch.

Staying connected on the go couldn't be easier. When it comes to entertainment, you'll be spoiled for choice with a high-quality, six speaker audio system with RDS radio, CD player and USB outlets for your MP3 player. Bluetooth connectivity allows you to keep chatting while you drive, and a navigation system makes finding even the most obscure places a breeze.

1. **Audio system with radio and CD player** Easy access to your music.
2. **USB and AUX outlets** Plug in, rock out.
3. **Audio system with 7" touch screen** All your entertainment in full view.
4. **Satellite navigation system** You'll never need to ask for directions again.
5. **Bluetooth connectivity** Make and receive all the calls you need. The conversation never has to stop.

**7-Year Navigation Map Update:**  
Includes six free annual map updates for new Kia vehicles factory-fitted with an LG navigation device

*driving dynamics*

No one will ever ask 'Are we there yet?'

The new Kia Venga is made to move. And you'll soon understand why. Helping out with the kids or hitting the open road. Nipping around the city or heading all the way across the country. Whatever it is that you're doing, you'll find comfort, smoothness and satisfaction an unmistakable part of every beautiful ride.

## Enjoy the journey as much as the destination.

With the new Kia Venga, you'll discover that every journey is an absolute pleasure. Active driving technologies boost agility and stability to keep you comfortable and confident on the road. The advanced MacPherson front suspension offer excellent handling and make sure that every ride is smooth sailing.

*driving dynamics*

*engine*

The Kia Venga's powerful engine is designed to keep up with you. With a choice of four responsive 1.4 and 1.6-litre diesel and petrol models ranging from 77 PS to 128 PS, you can choose just how much oomph you need.

Those opting for a diesel engine will enjoy the latest second generation common rail diesel technology. The 1.6-litre model is fitted with a variable geometry turbocharger to maximize performance.

The petrol engines have CVVT (Continuous Variable Valve Timing) technology and electronic fuel injection to boost output.

All engines are available with optional fuel-stretching engine Start/Stop (ISG) technology, which reduces fuel consumption and CO<sub>2</sub> emissions by automatically shutting down the engine when the car is at a standstill. This option also includes the eco-friendly Energy Regeneration System, activated when you take your foot off the accelerator. The Energy Regeneration System uses the kinetic energy that is normally lost to recharge the battery - making it fuel and planet-friendly.

## We've got safety covered.

You're focussed on protecting your loved ones – and so are we. That's why the Kia Venga is designed to deliver when it comes to safety. An arsenal of active safety technologies includes an Anti-lock Braking System (ABS) and a Brake Assist System (BAS) which ensure that sufficient brake force is applied in emergency situations. Vehicle Stability Management (VSM) works alongside motor-driven power steering to keep the car stable when simultaneously braking and cornering – especially on wet, slippery and rough roads. Finally, Hill Start Assist Control (HAC) takes the strain out of starting the car on a steep hill.

The Venga's rigid bodyshell and carefully positioned crumple zones help reduce any impact when it matters most, as do the six airbags. Finally, all five seats have three point seat belts for maximum safety.

**1. Airbags** Six airbags keep you and your passengers safe (including dual front airbags, front side airbags and full-length curtain airbags for rear passengers).

**2. Active headrest** The front seats of the Venga feature active headrests to maximize head and neck support in case of impact.

**3. Tyre pressure alarm** With the tyre pressure alarm, you'll be able to keep a check on things for added peace of mind.

**4. Electronic Stability Control** ESC helps maintain stability by countering oversteer or understeer. The system applies brakes automatically to individual wheels and supervises the engine power until control is regained.

interior grades

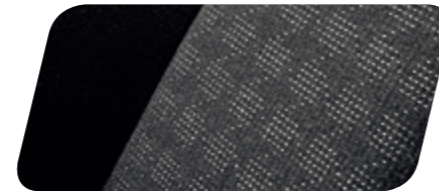

## Styles to make you smile.

## A partner you can rely on.

### 7-year vehicle warranty

Having passed rigorous tests for reliability and durability, we're proud to offer the Venga with our industry-leading warranty, just like all Kia models. Every Kia benefits from a 7-year/150,000 km new car warranty (unlimited for up to 3 years; 150,000 km from 4 years onwards).

This bumper-to-bumper warranty is free and transferable to subsequent owners provided the car is regularly maintained in accordance with the servicing schedule.

### 5-year paint warranty & 12-year anti-perforation warranty

High-quality body paint ensures long-lasting protection and shine for your new Kia. It also comes with superior corrosion protection and a 12-year warranty against rust from the inside out.

### Stay in touch with Kia
